# A M A R O

DELLA COMAGNIA

A Bitter liquor with a long tradition and marked character. Its name comes from the fact that it was reserved for the crews of the Florio shipping company who in the 19th century sailed along transoceanic routes. The secret recipe includes a blend of 13 ingredients among which herbs, roots, citrus fruit peels and spices. After wood ageing for at least 18 months, the liquor is then prepared; it is marked by its typical aromatic character with strong scents of Seville orange peels.

700 ML. BOTTLES.
